Intense aromas of rich fruits offering complexity and sophistication. Throughout this wine we deliver balanced layers of ripe fruit; bright and lively black cherry, deep plum, licorice, blackberry with mocha and chocolate covered currants, served up on a platter of ultra rich and sexy creamy caramel oak and mouth watering tannins adding to the luxurious finish.

A Harmonious wine with power and finesse. Showing the robust wholesomeness of a Midwest born gentleman and the finesse and intensity of a spirited female wine maker from the hard northwest. Luxurious in its youth, sophisticated with age. Try with grilled meats served au poivre. This big, bold beauty is Timothy, Barbara and Kristen's (owners & winemakers) seventh commercial vintage of Cabernet Sauvignon.
