

2002 Cabernet Sauvignon

Napa Valley

100% Cabernet Sauvignon - blended from four vineyard sources.
St. Helena, Howell Mountain, Chiles Valley and Oak Knoll
26 months in French oak

Total Production: 1556

Rich, Ripe and Refreshing

Refined, Supple and Elegant

Aromas of black fruit, complex on the palate with balanced layers of vibrant fruit, integrated tannins and a long silky finish.

This wine delivers intense concentrated layers of ripe fruit; bright and lively black cherry, currant, dark cocoa and plum on the seductively silky palate. Deep flavors serve up anise, cinnamon and a hint of black licorice on a platter of ultra rich, creamy oak and mouth watering tannins add to the luxurious finish.

As promised the 2002 is full bodied with great complexity. A harmonious wine with power and finesse in a seamless blend. We encourage you to hold the wine in your mouth for a few extra seconds to experience the depth of flavors, the intensity of the fruit and spice, the integrated French oak along with balance and integrity.

Spelletich Cellars Cabernet Sauvignon is bold in its youth and offers tremendous ageing potential. We ask that you follow the instructions on the cork and enjoy with food, family and friends. This Cab. is an ideal match to a grilled steak with fresh cracked pepper.
