Rich, Ripe and Refreshing. The powerful chardonnay has an amazingly rich mouth feel. Ripe and juicy pear, honeysuckle, toasted almond and lemon chiffon. These distinctive chardonnay characteristics combine with cool climate minerality, lees and strong oak flavors that linger on a long, clean and refreshing finish.

Our Chardonnay is made to enhance a variety of foods; be lively on your palate and offer ageing potential. Ripe fruit from an exceptional single vineyard, located in the coldest part of the Russian River, integrated oak and acidity provide a unique experience. Excellent paired with your favorite savory appetizers, or for maximum goose bumps, try with grilled shrimp in chili garlic sauce.

This stylish and sophisticated chardonnay is the seventh commercial vintage for owners and winemakers Barbara, Timothy and Kristen Spelletich. Elegant in its purity, balanced in its boldness. Thank You for sharing our passion.
