## 2002 Tim & Edie's Zinfandel

- 100% single vineyard Zinfandel Tim & Edies Vineyard~ Shenandoah Valley
- 12 months in American and French oak
- Total Production: 946 cases

**Power and finesse.** Vivacious in color and flavors of intense concentrated blackberry, raspberry, brambleberry, black cherry, anise, vanilla bean and spicy beach plum with fleshy tannins that provide a long smooth finish that lingers.

This is a unique zinfandel. Shenandoah Valley provides us with the best of both worlds for zinfandel: the ability to get the grapes ripe while maintaining natural acidity. Harvested by flavors not sugar, our zinfandel boasts ripeness together with acidity to liven it up and carry a refreshing finish.

This involving wine has an abundance of individual character. Juicy and jammy Zinfandel characteristics with tempered balance and ease of drink ability. A cool fermentation and no malolactic fermentation adds to the charm of this distinctive Zinfandel.

The fifth 100% zinfandel for winemakers and owners Barbara and Timothy Spelletich. Excellent fruit sources harvested at the peak of flavor/acid balance provide us with the style of wines we want to produce: Rich, ripe and refreshing.

The structure of our 2002 Zin is indicative of long lived wines. Strong flavors, solid acidities and rounded tannins.

This wine complements food, family and friends. Food pairings include barbecued or rotisserie meats, great with cheese dishes and buttered popcorn.
