Silky spun gold hue with hints of lavender and caramelized apricots lead into a perfectly balanced mouth feel with a tantalizing soft hint of cream. Fresh summer green apples are laced with grapefruit notes midpalate that glide over your tongue and develop into a clean, crisp and surprisingly refreshing finish. This chardonnay truly recognizes the full potential of it Carneros Appellation!

Spelletich Cellars 05' Chardonnay is extremely well balanced, displaying a burst of warm summer fruit right out of the gate, then melodically dancing over your taste buds with bright acidity and finishing with a crisp minerality that makes this wine a true harmonious great. Enough structure to stand up to an array of foods and enough elegance to represent itself as a World Class Wine of Napa Valley.

This is the kind of wine that takes you away from the daily grind, allows you to sit back and relax and enjoy the flavor and beauty of the valley. Spelletich Cellars Chardonnay is the kind of wine that brings friends together.
