Creamy, berry and plum aromas.
Boysenberry, milk chocolate, black cherry cola, warm baking spices explode on the palate. Rich mixed berries, anise and mocha vanilla crème emerge as you swirl.

From the sandy soils of Contra Costa County we bring you this fun wine. Unpretentious and fun, we are reminded that it is OK to use descriptors such as yummy and delicious. A low tar, no barnyard Syrah that is opulent and well structured with acidity and soft tannins.

The Wild Women on Wine tasting group say it is “freakin’ yummy!”. Once again, proof that Spelletich Cellars delivers bang for the buck.

Balanced power and sumptuousness allows for easy food pairing.
Grilled lamb chops with a berry balsamic drizzle.
Ask Barb about how good it is with shrimp and a horseradish cocktail sauce.

This wine complements food, family and friends.
